Karyn,

It's been a long time since I meet you. There are so many memories I could fill this whole page, But I'm not going to. Last summer was a blast. Remember that whole week we ran around together with Kelly & Dana. Remember all the times we went cruising through the park. Thanks for all the understanding of my problems & Kenny. Thanks most of all for introducing me to Chuckie & his wuckie.

Love Shelly

ONE LAST LOOK AT YESTERDAY

It doesn't seem possible,
As we look to the past,
That our days in school,
Have gone by so fast,
When we came through the doors as freshmen,
Many I'm sure did say,
"Senior year will never come"
Yet here we stand together, on graduation day.
We've grown each day together,
And sometimes grown apart,
Through gossip, tears, friendships,
And many broken hearts.
The good times and the bad times,
In our minds will stay,
And as we stand together,
Let's take one last look at yesterday.
Try not to dwell on the bad things,
Throughout our mistakes and failures we grow,
Remember only the good times we've had,
As our futures now slowly unfold.
Today our lives begin to change,
We'll each go our separate ways,
But for a moment let's take,
One last look at yesterday.

Laura Jacks

Karyn,
This year we have become really close friends, I'm glad..
Remember all of the fun time with the the gang, Rocky IV, Go, Go, Go, GO, GO, GO, GO, YEAAH!; Otter Creek Doin gunna at teresas house, choking on the bong.
Hope we will keep in touch and stick with Glen he's a of a kind.
Dont hang around Lisa, and Teresa to much longer, cause at the rate you are going you all with be arrested you big flirts. FLIRTS FLIRTS, FLIRTS.
The gang ought to all get together as soon as schools out. And just goof off (as usual).

Karyn,
Well, We can't say "see ya next year anymore.", but hey I can see ya in the neighborhood. Remember when Sean, Brian & me want swimming in your pool & doing obscene things off the dive. And you have to remember when we were little ugly tikes running around vacant lots in Windsor Forest. (Unlike it is now) Remember in the bathroom of my house. (Hot sweat.) "HA HA Oh, the younger days." Some times were wasted, some times were spent well. Take care of yourself & the ones you LOVE. Don't be a stranger.
LOVE YA

1986 Board of Education

Robert L. Whitehouse; Laken Cosby, Jr.; Michael W. Wooden; Sherry K. Jelsma; Jim Hearn; John D. Hayburn; Robert J. Schmitt.

"As the 1985-86 school year draws to close I hope each of you will pause a moment to look back and savor a year of accomplishments and personal triumphs.

Over the past ten months, you have worked at your studies and gained personal knowledge and skills you did not possess when the school year began. What you learned was the result of many factors, not the least of which was your individual effort.

Now, this school year ends. Some of you may be leaving high school for new challenges in college or the work place. Others will return to high school next year to continue to learn and grow. It has been said that we get out of life what we put into it. Therefore, with the start of summer and the end of school, I hope you will go out and live life and learn from it as you have from this past year.

It is my sincere wish that the coming months hold only pleasant experiences for you. May you enjoy life; and may you continue to learn."

Mr. and Miss Doss

Alison Powell **Chip Wagner**

Miss Doss-Alison Powell

At Dixie Jr. Miss

Alison Powell "86"

Member of Who's Who

The school staff voted Alison Powell as Miss Doss of 1986. Alison has participated in a number of clubs, organizations, and activities since her freshman year at Doss, among these are: The Excel Program, Latin Club, Science Club, Student Council Secretary, The Ads Manager for the Annual Staff, the Calendar Pageant, Junior and Senior Powder Puff Football, The Free Enterprise System Business Seminar. She was also voted Most Attractive by the Senior Class, was a member of the Basketball Homecoming Court, and also a contestant in the Dixie Junior Miss Pageant.

Alison holds a 3.75 g.p.a. and ranks twelfth in the Senior class. Her efforts have been evident by her being chosen a member of Who's Who in Foreign Language, Who's Who among American High School Students, and also receiving an Academic letter.

After graduation, Alison plans to attend the University of Louisville and combine a career in Fashion Merchandising and Marketing Retail.

The Myth staff asked Alison to express her feelings about the past four years at Doss; she replied, "Doss has become my *second home; I find it hard to believe I will soon be graduating and moving on. Over the years, I have been able to notice significant* changes in the way I act and feel that only a school like Doss could bring about. The friendliness and concern of my teachers and of the staff have been a major part in my development. Not only has Doss taught me about education it has also taught me about life. I have learned to never give in to the pressures of the world, but instead to be my own person and to always look toward the positive side of life."

The serious side of Chip

By a vote of the School Staff, Chip Wagner was chosen as 1986's Mr. Doss. Chip has always been an involved student throughout his school years at Doss. His activities include: The Excel Program, Spanish Club, Golf Team, Science Club, Pepsi Singers, Choir, Contemporary Youth, and being voted Most Sincere of the Class of 86.

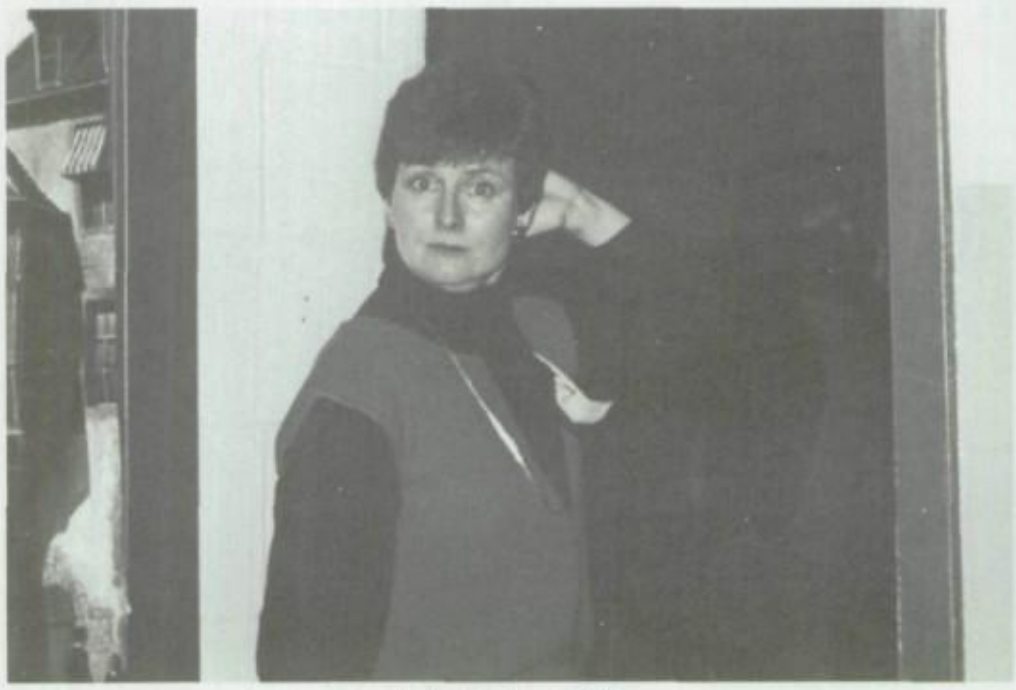
Chip is the son of Harold and Sharon Wagner. Chip ranks in the top 25% in the Senior Class. His future plans are to attend either Western Kentucky or Brescia University and major in Business. After college, Chip plans to become a stockbroker. Later he hopes to marry and raise a happy family.

When the Myth Staff asked Chip to express his feelings about his years at Doss, he replied, "During my years at Doss, the guidance of the administrators and teachers has helped me develop self assurance. Doss has also given me the chance to excel at whatever I needed or wanted to prepare myself for life. Although I've set goals to be successful, I will never forget the memories and friends at Doss."

Dedication "86"

Mrs. Hatfield hard at work.

Quiet down, kiddies.



Isn't she beautiful?

Mother is getting mad!

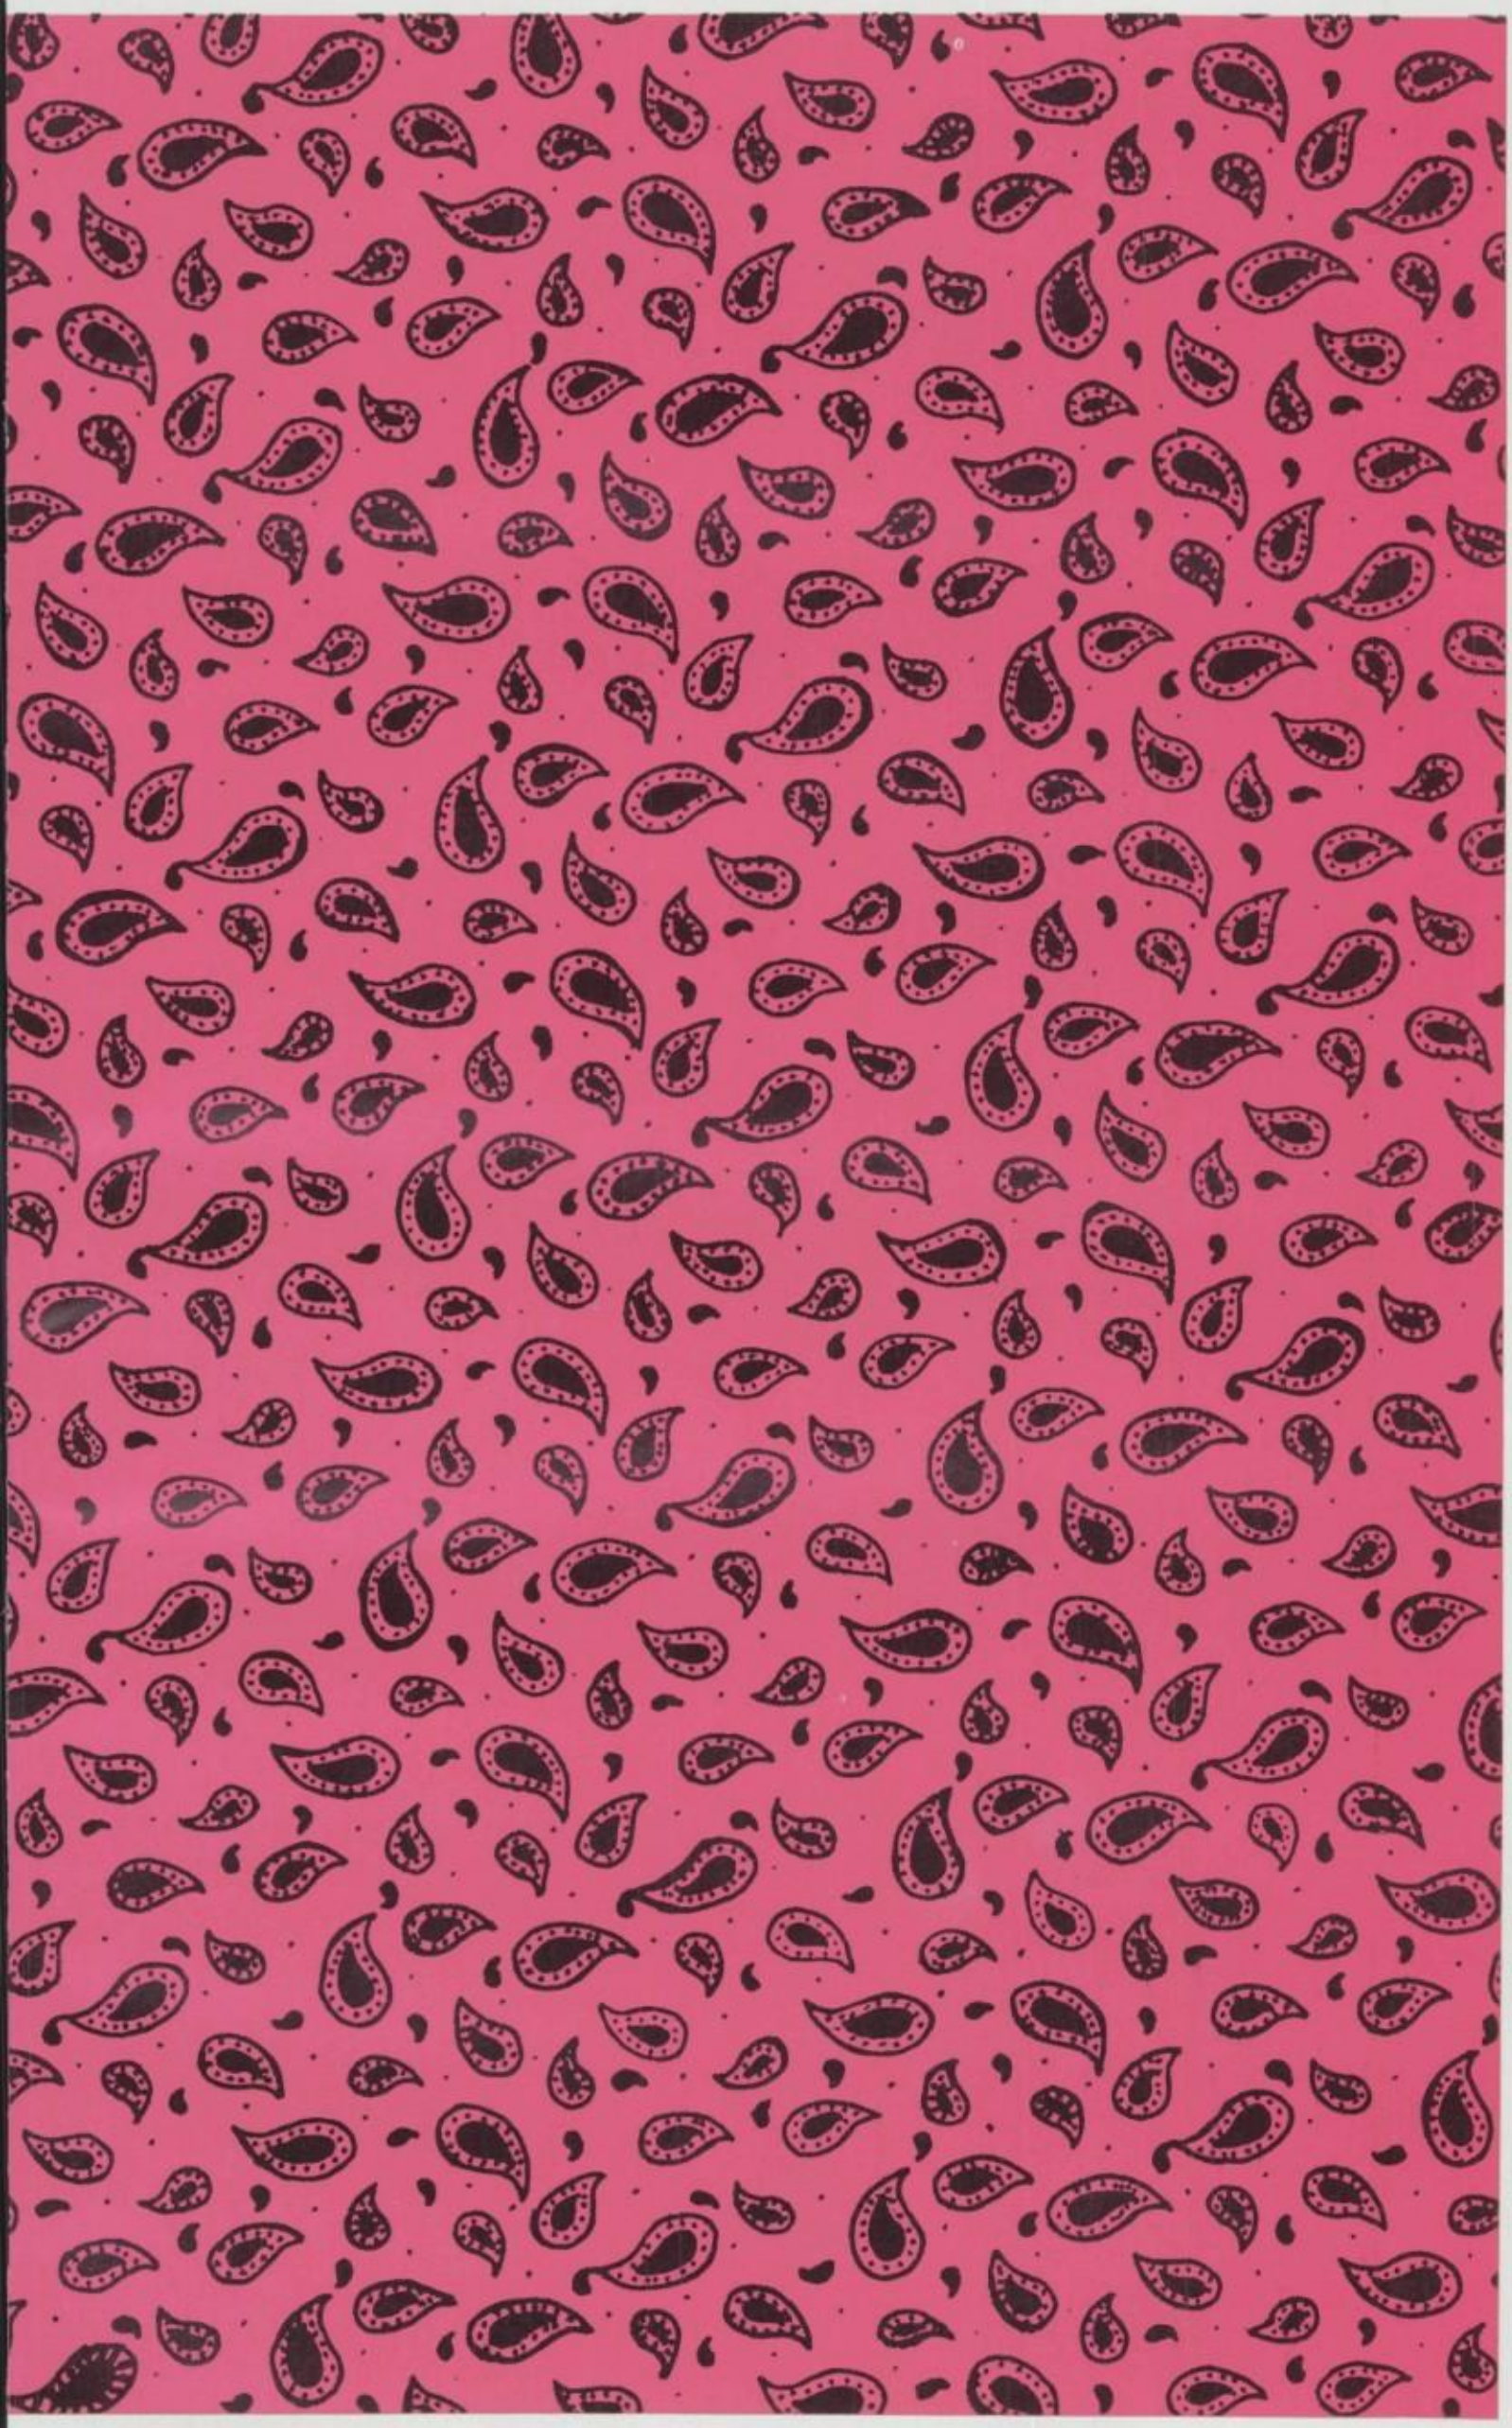
If indeed as Shakespeare wrote in "As You Like It": "All the world's a stage, And all the men and women merely players," then when it comes to giving top billing to those playing the role of teacher, Mrs. Jean Hatfield is indeed deserving. By a vote of the yearbook staff (including an honorary endorsement from Urick), we are proud to dedicate this 1986 Doss High Myth to Mrs. Hatfield.

Mrs. Hatfield attended Sheperdsville High School, and then went to the University of Kentucky and Campbellsville college. She received her M.A. in English and secondary education at Murray State University. Mrs. Hatfield has been teaching for eighteen years, all at Doss, and is chairperson of the English department. Outside school, she enjoys fishing and reading Shakespeare.

Not only is Mrs. Hatfield an excellent teacher, but she also involves herself with student activities. She is a Senior class sponsor and helped greatly with the organization and financing of the first Junior/Senior prom. She also sets up an ACT/SAT workshop for those who are taking the tests.

People throughout the school have pleasant comments about Mrs. Hatfield. Principal Stan Whitaker said, "Jean is a superior teacher and leader in the classroom as well as among her peers. She serves her school and community in a manner that sets an example for all. Her vast knowledge and abilities make her a genuine asset to her profession." Cindy Perkins Fryrear, a 1981 Doss graduate commented, "In college I received very good grades in English. I believe that it was due to Mrs. Hatfield. I had her my Junior year and she helped me tremendously with grammar and literature. She was also a good friend and listener." A Senior in Mrs. Hatfield's Research English class this year, Scott Sturgeon will always remember her: "Mrs. Hatfield may be strict in the classroom, but she is also a very good friend. She is the only teacher I've ever had that greeted me at the beginning of the year with a hug."

Whether it be dedication to doing the best in the classroom, leadership of the English department, supporting and sponsoring student activities, grading ten thousand research papers, or exhibitng genuine concern for her students, Jean Hatfield exemplifies the best qualities of the teaching profession. The accomplishment of these things is worthy of recognition. That Mrs. Hatfield has accomplished so much, year in and year out through her eighteen years of service to Doss High students makes us very proud to dedicate this 1986 Myth to her.



OPENING

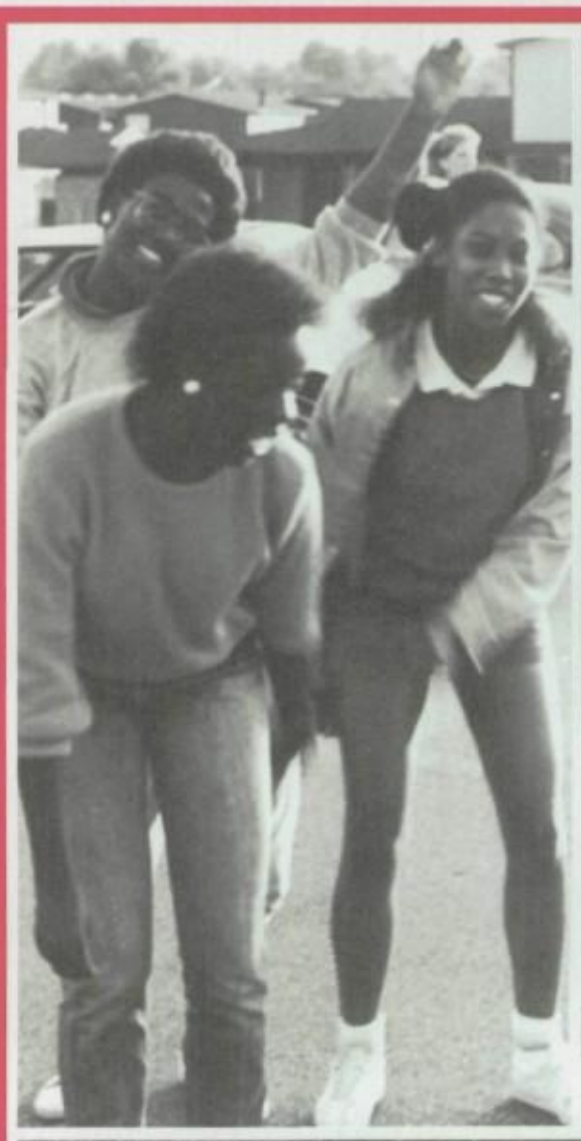
One Last Loo

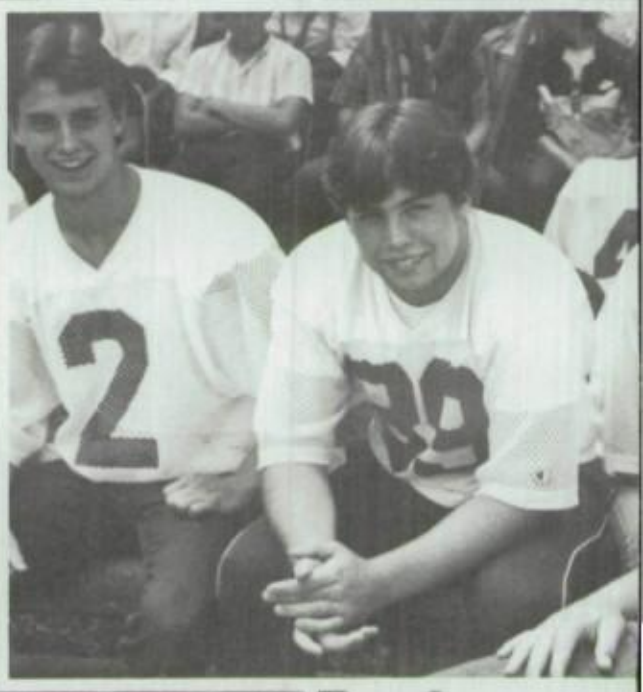
There seemed to be a different feeling at Doss High School this year; an excited feeling. Everyone couldn't wait to get the year started, but at the same time couldn't wait until it ended. Let's take, "One Last Look at Yesterday."

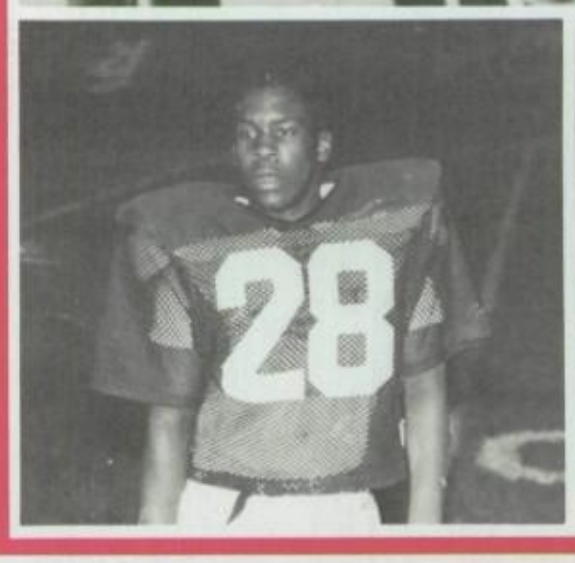
The student body and staff grew this year; and although there was some confusion, we got to meet new and interesting people, learning their ideas and feelings. We learned to cope with the crowded hallways and classes, changing schedules, and the normal frustrations of starting school. With all this growth, learning, and coping, we made many new friends, strengthened old friendships; and grew closer together. The friendships and closeness are important to help us get through our high school years. The memories of the fun times, and even the not-so-fun times, will always be an important part of our lives. In some ways our memories even help shape the way we think and act throughout our entire lives.

These four years of our lives can somewhat be compared to a chapter in a novel; the final chapter before adulthood. So many of us don't take time to realize how important and meaningful these years are until they're gone. Along with high school comes a lot of responsibility. Teachers put more pressure on you to do more work and to do it right. Parents also give you more responsibility and let you make decisions on your own. They give you more freedom and you're allowed to go more places and participate in more activities. On the other hand, your parents expect more work and commitments out of you, which can not always be fulfilled to their approval.

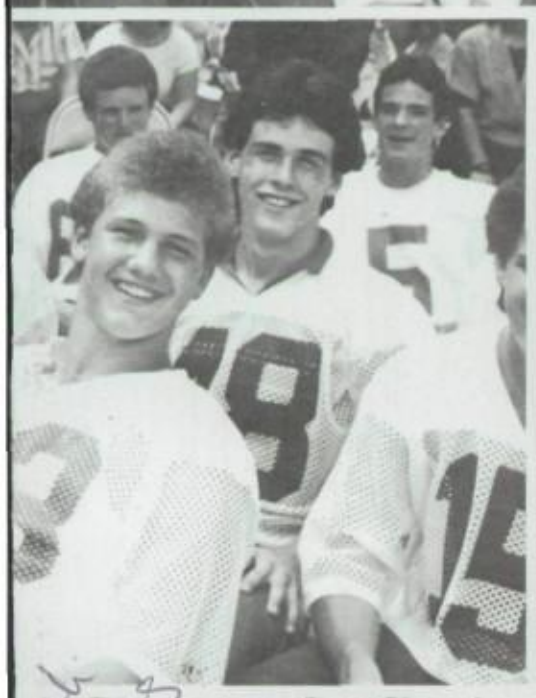
Accompanying these responsibilities are the hardships that we all encounter. Remember the first fight you had with that special person and you thought it was the end; but actually after a day or two

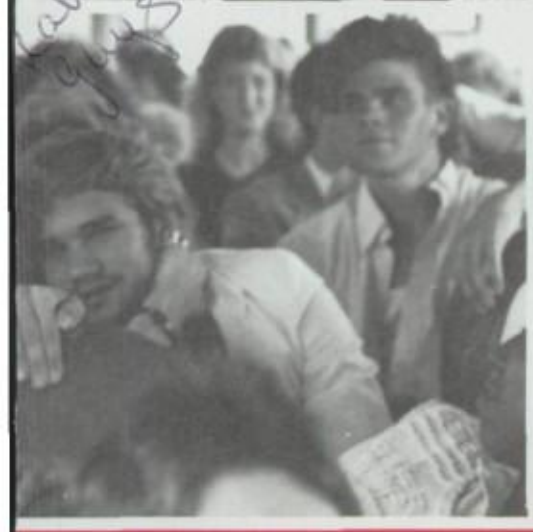






At Yesterday





of cooling off you found out it was just the beginning. Remember that special friend that always seemed to be there no matter what happened, or what time of the day or night it was. Remember all of the long, special talks you and your friends had until late at night on the telephone. Remember that certain teacher who helped you through a problem you thought had no solution whatsoever.

During our high school years we encounter many friendships and relationships that are special to us, but there are only a few you know that you can really count on in those difficult times. There were times when you thought the whole situation was hopeless and no one could possibly understand how you were feeling at that exact moment. After high school a lot of those friendships are pushed aside but never forgotten; they always hold a special place in your heart. However, there is always that one faithful friend whose friendship you never lose touch of throughout your entire life. This friendship will continue to grow forever, and continue to get stronger as time goes on. Even the very best of friends sometimes go their separate ways, because of different interests, but somehow continue to remain friends even when miles may come between them. Everyone needs one friend they can count on forever, and when that friendship starts in high school it makes that relationship even stronger and more valuable. Not many teenagers realize how important all this is until later and sometimes that's too late. So take time to stop and look at your friends and really see what they mean to you now and what they could mean to you later in life.

Everyone's memories of high school are very special ones; they are never forgotten. This yearbook is a reflection of the good and the bad times. We've created "One Last Look at Yesterday."

Tis' the Season to be Jolly

Denise did a great job!

Seniors light the way!

The 1985 Christmas program was sponsored by the Student Council. Officers Denise Gahafer, LeeAnne Helm, Alison Powell, and Lisa Paxton were assisted by other students as well as sponsors Mrs. Quisenberry, Mrs. Kuhlman, and Mrs. Vicars. Although the program followed the traditional format, there were some changes. The program was held one week early. Underclass Student Council members "infiltrated" the Senior candle section. Hallway lighting was not turned off. And finally the Grinch, alias the Fire Marshal, almost stole Christmas when he forbid any electric lights on the Christmas tree. E.S.S.A. sponsor Mrs. Steiden and some foreign language classes came to the rescue with hand-made ornaments. The student body came through with a cash donation of over $1000.00 and over a hundred "baskets" of food for the needy. All in all, students and staff were pleased with the program which helped establish the true spirit of Christmas — sharing with others.

Thanks for the help in making the program possible!

This year's Who's Who were selected from more than forty candidates. The students were nominated by faculty members. Each nominee was required to present a resume containing a record of grades, a list of activities and a letter of why they should be selected for Who's Who. The resumes were evaluated by a committee of staff members and fifteen candidates were chosen. The names of the candidates were kept secret until the Christmas program, at which time each winning nominee came forward with his or her parents and lit a candle during this beautiful ceremony. A luncheon in the Spire Dining Room of the Hyatt Regency Hotel, provided by the Senior class, was one of the highlights for these deserving Seniors.

Dragons Sting Yellow Jackets

The 1986 Basketball Homecoming was held on February 7th. The Homecoming game was played against the Central "Yellow Jackets." During the week of Homecoming there were many different days for students to dress-up. The days were: Monday dress-up-as-if-it were Summer; Tuesday dress-up your-favorite-food-day; Wednesday baby day; Thursday was 50's day; Friday was spirit day. During the Pep-rally held on Friday, there was a parade of floats to be judged for a contest. The winning float was by the Media Center. During the half-time at the boys game, the King and Queen were crowned. The 1980 Boys' Basketball team was recognized, and they also received a trophy. The Girls' Basketball Team won the game against Central 56 to 39. The Boys Team also won their game 69 to 42. After the game, there was a dance held in the small gym with the music furnished by the Mobile Disc Jockey.

HOMECOMING PRINCESSES

Juniors And Seniors Combine For A CLASSY PROM

April 27, 1985, was an important day in the lives of the members of the Class of '85, as well as the class of '86. For the Seniors, it was a spectacular event that would bring their last year in high school to a memorable close. For the Juniors, it was a moment that brought them one step closer to becoming the new leaders in the year to come.

The first Junior and Senior prom was held at the Commonwealth Convention Center. The celebration began with carriage rides from the Galt House to the Convention Center. Fantastic decorations such as a carousel, a champagne fountain, and a park style setting greatly enhanced the mood of the evening. The entertainment was provided by the band, "Caribou."

A special "thank you" to Mrs. Quisenberry, Mrs. O'Bryan, Mr. Nash, Mrs. Kuhlman, and Mr. Whitaker for all of the time and work that they so willingly gave to make the first Junior and Senior Prom a tremendous success!

The group participates in many activities during the year. During the months of November and December, the Pepsi Singers sang Christmas carols throughout the area, such as The National Merit Scholars Dinner, The Jefferson Mall, Christmas around the World in Chicago, and The Louisville Thunder Soccer Game in December. The Pepsi Singers also did a commercial for Jefferson County Public Schools entitled "Stand up for What's Outstanding in your School." Thanks to the Pepsi Singers and their director, Ms. Gail Taylor, much happiness has been brought into the lives of many people during the school year.

The Myth staff for 85-86 consisted of eight seniors, six juniors, and two sophomores. The sixteen member staff met with sponsor Frank Cunningham every day fifth period to create the yearbook.

Everyone worked together and separately to make this yearbook one to be proud of. We each had alot of fun and alot more headaches organizing and making this book for the student body, and we all hope you enjoy "One Last Look at Yesterday".

Young Team Reaches REGIONAL TOURNEY in

SOFTBALL

The 84-85 softball team consisted of thirteen players who through skill and hard work managed to earn a spot in the West Region Softball Tournament. Seniors Susan Betz and Becky Lee led the team with the experience and zeal needed for a successful season. The rest of the team consisted of two Juniors, seven Sophomores and, last but not least, two Freshmen.

With such a great number of underclassmen the young and inexperienced team relied heavily upon the direction of 2nd year coach, Leon Mudd.

The 1984-85 Dragon Girls Softball Team played such adversaries as Pleasure Ridge Park, Southern, Western and Holy Rosary. When asked what team was their toughest opponent the team without hesitation responded Holy Rosary. The softball team lost to Holy Rosary first at home and at Regionals.

Next year should be an exciting season. With the vast number of returning underclassmen the 85-86 team will have the experience and enthusiasm necessary to guide them through the Regional Tournament and onto the State Tourney!

SENIORS

niors Becky Lee and Susan Betz pose with Coach Leon Mudd. The Seniors of the '84 softball am provided invaluable experience to the young underclassmen.

JOCK TALK

The yearbook staff interviewed Karen Cotten about the '84 softball team.

We asked her who was the team's toughest opponent. She responded, "Holy Rosary. They were a very experienced and aggressive team."

We also asked her about Coach Leon Mudd and she said, "I like Coach Mudd. He's a lot of fun to be around and he's a good coach."

Baseball team had another successful season and entered

REGIONALS

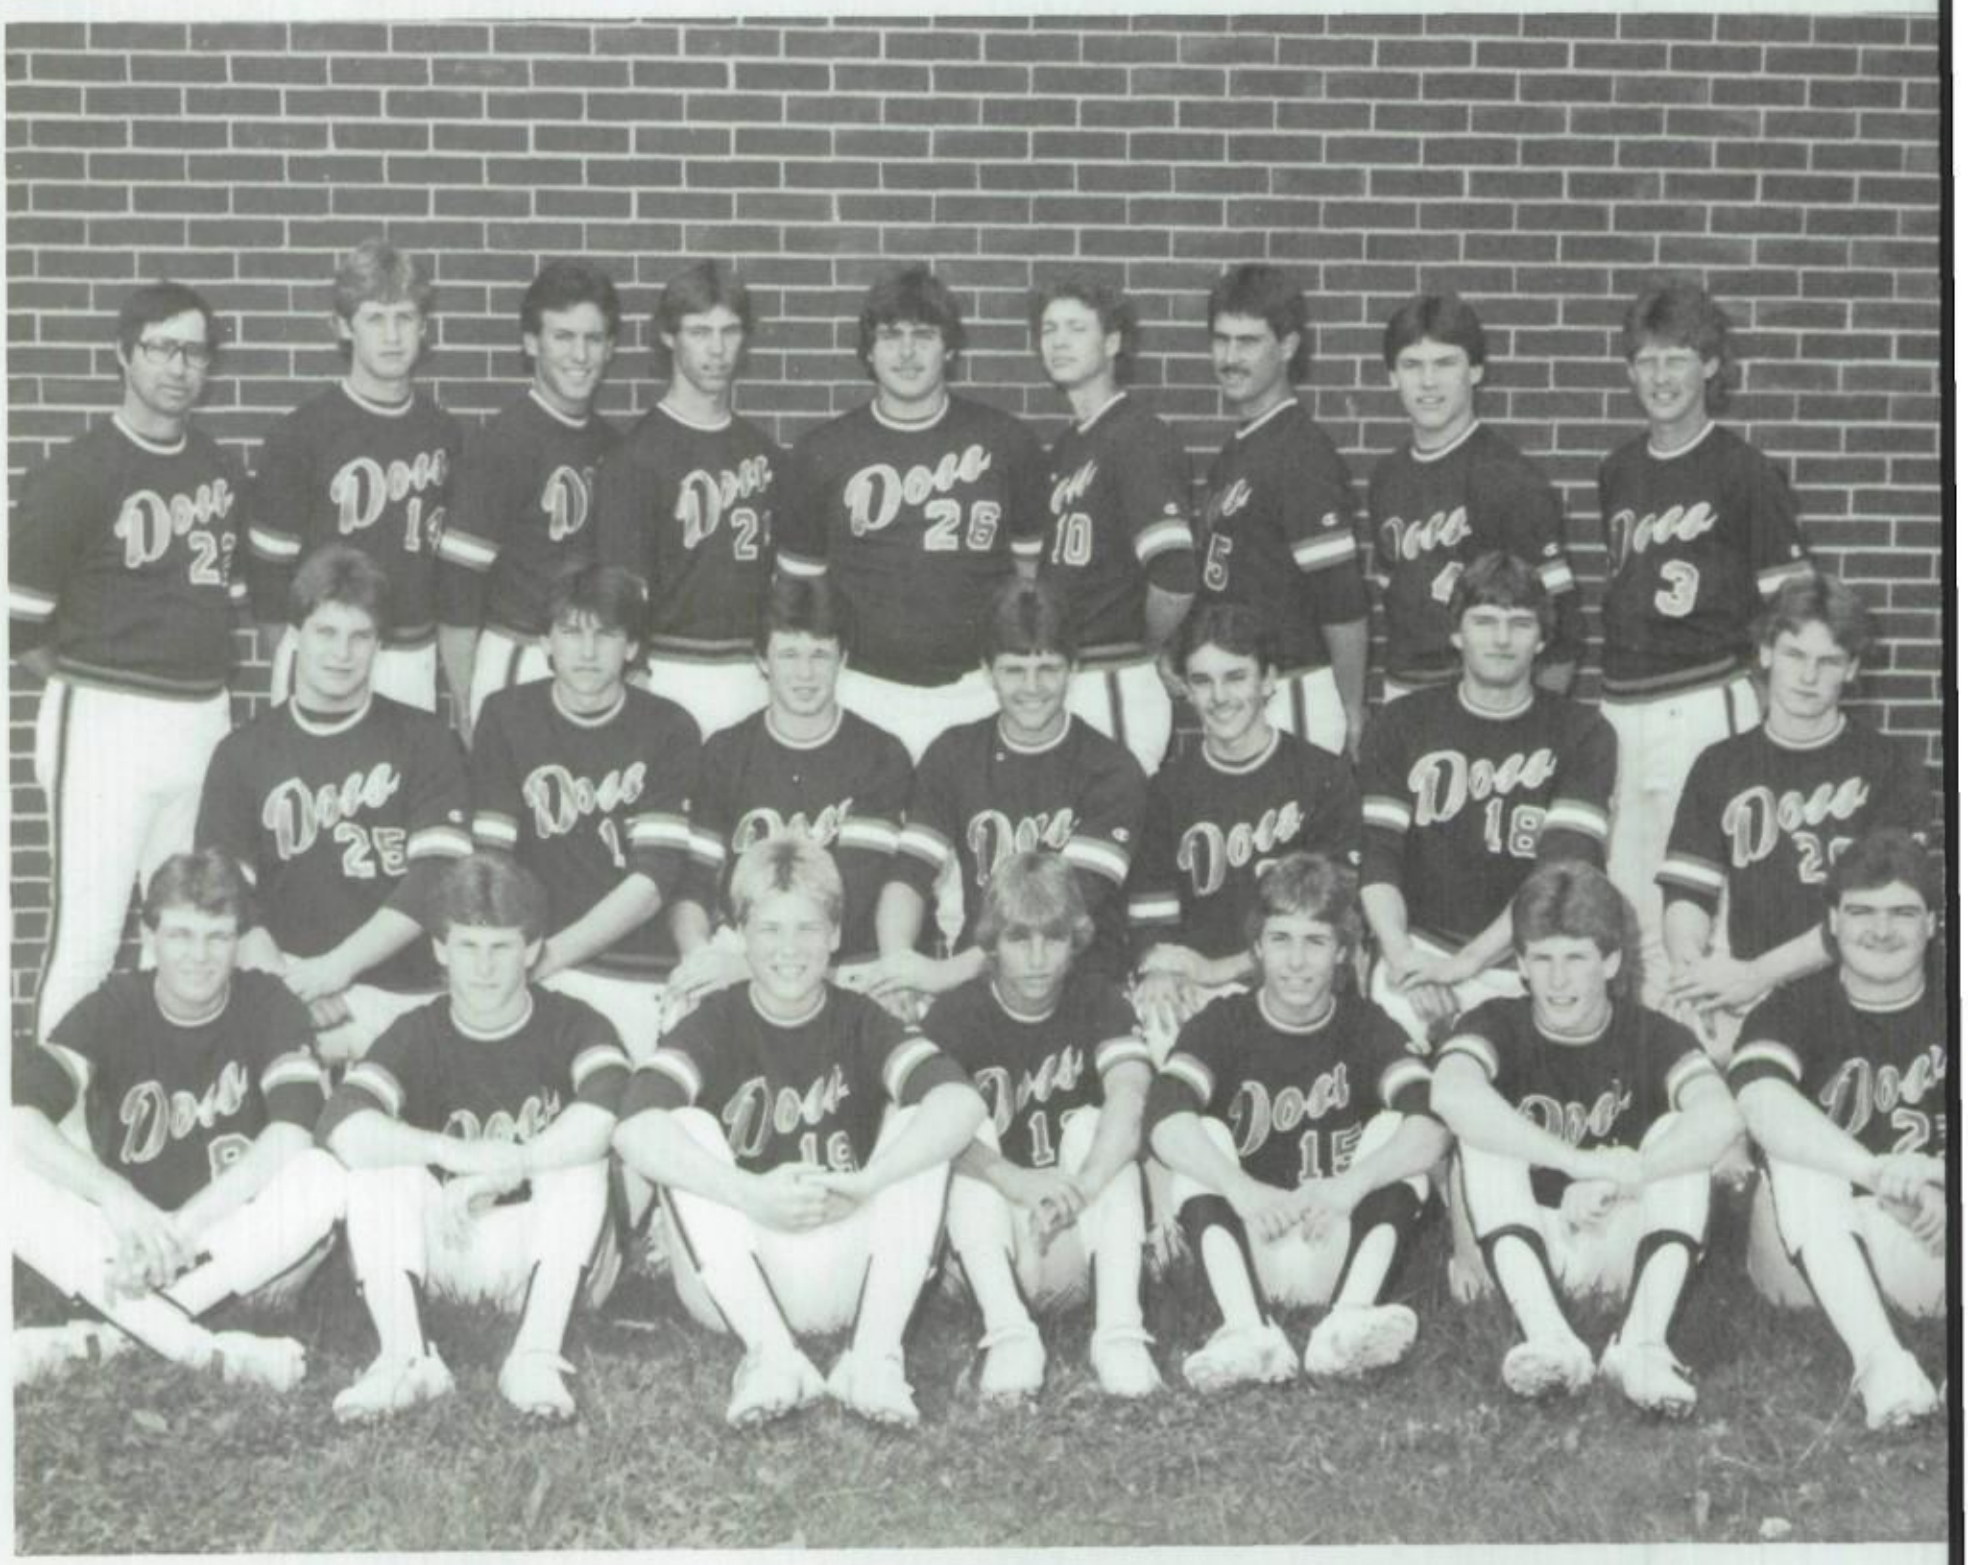
The 1985 Doss High School baseball team completed another season with a close win-lose record of 13-12. In his third year of coaching the Dragons, Coach Calvin Biggs led one of the most talented young, but inexperienced, teams Doss has ever had.

The Dragons started out a little slow this past season, when they only won five out of their first ten games. But this slump didn't last for long. They went on to win their next four games and then tied their next game against the tough team of Iroquois High.

Despite a less than spectacular record of 13-12, the Dragons had little difficulty defeating the Bearcats of Beth Haven to win the district championship. The Dragons made it all the way to the semi-finals of the region, where they lost to Desales 4-3.

The outstanding players of the 1985 Doss High School baseball team were seniors: Mike Potts and Neil Olliges.

Other seniors include: Donnie Jaggers, David Lee, Rob Meecha, Paul Penland, David Sanford, and Tony Shircliff.



Left to Right - Front Row: Tony Shircliff, Bryan Crum, Chris Harvry, Joey Troklus, Dustin Jacobs, Bruce Crum, Paul Penland. Middle Row: Andy Alvey, Danny Leasc Bryan Rowley, David Hibbs, Tony Denham, Rob Meecha, Todd Hash. Back Row: Coach Calvin Biggs, Niles Whitson, Neil Olliges, Jeff Emberton, Danny Pfister, Dav Lee, David Sanford, David Cash, Mike Potts. Not pictured: Donnie Jaggers.

Jock Talk

When asked to comment on their toughest team, David Cash said, "I believe it would be P.R.P., because they're our most evenly matched team, and they're our rivals."

DeSales was the most remembered game by several of the players, because it was the top of the seventh, and the game was tied. But the Colts scored, causing them to win the game and to go to state.

State Tournament

The 1984-85 boys tennis team ended its year by beating Butler to win their region and advance to the state tournament for the fourth year in a row. In the first round of the state tournament our top seed, Brian Nichols lost with a score of 4-6, 7-6, 3-6. Todd Barber drew the third seed in the state and lost in the first round with a 0-6, 0-6 score. Our doubles team of Denny Jackson and Derek Coleman lost in the first round with a score of 4-6, 0-6. Our other doubles team, Todd Rush and Jeff Prosser won in the first round and lost in the second round to end our stay in the state tournament.

With an 8-2 win-loss ratio in their region the team members were: seniors - John Seitz and Greg Quiggens; juniors - Brian Nichols, Todd Barber, Jeff Prosser, and Denny Jackson; sophomores - Todd Rush, Todd Whitehouse, Derek Coleman, Sean Riley and one freshman Jeff Vice.

The coach for the 84-85 team was Kevin Salyer. In his first year of coaching tennis at Doss he gave a great deal of time, support, and guidance to the entire team.

Brian Nichols said "I feel we had a fair season overall. I didn't play as well as I would have liked to have played though. Todd Barber had a great season only losing in the regional tournament. Our doubles teams performed extremely well and were a key in winning important matches."

Girls Tennis Team overcomes lack of experience to gain . . .

Winning Season

The 1984-85 Doss Dragonette tennis team consisted of one senior: LaDonna Koebel; two juniors: Tamara Frazier, and Heidi Blessing; six sophomores: Jamie Barnes, Jill Wells, Kara Bowling, Terina Moser, Kelli Marcum, and Cheri Rodecap; and three freshmen: Kathy Jackson, Dee Clark, and Sarah Alvey. Four players returned to add their experience from past seasons to the determined efforts of the new members. They were LaDonna Koebel, Tamara Frazier, Heidi Blessing, and Jill Wells.

In his first year of coaching tennis at Doss, Kevin Salyer, played the dual role of boys and girls tennis coach. While giving of his time and sharing his knowledge of tennis he carefully guided the young team as they gained experience and confidence.

With a 5-4 win-loss record for the 84-85 season the team finished fourth in their Region. According to the team their favorite match was Meade County at Doe Valley. Overlooking the fact that it was a losing day on the tennis courts the team had a winner of a time swimming in Doe Valley Lake on a windy and definitely chilly March day.

Tamara Frazier on the 84-85 season:

"The 84-85 tennis season was definitely a memorable one for everyone involved. "It was filled with a tremendous amount of team spirit as well as personal triumph." "I predict a strong finish for the season of 86."

Record Breaking Season

Boys Track

The 1985 Boys track team began its season on March 28th with a meet at Moore High. Coach White, who has been coaching for several years, led the Dragons to become the Runner-up. They were able to finish llth in the State.

The team was led by seniors Rodney Morgan, Spence Shipley, Clark Carroll, Rodney Pitts, Doug Sheakley, Troy Denson, and Walter Francis. Their experience was invaluable in helping the individual members unite to become a truly competitive team. The many records broken, both individual and team, are partly a response to the element of senior leadership, so important to the success of the team. Their contributions will be missed in the future.

The 1985 season was a record breaking season. The records broken were: The High jump, Mike Bigham, the Long Jump, Spence Shipley; the 100 meter, Eric Bagley; Todd Jenkins, 200 meter; Rodney Morgan the 800 meter. Best of all was the 400 meter relay broken by Willie Hudgins, Todd Jenkins, Mike Gray, and Eric Bagley.

Jock Talk

When Mike Hamilton was asked how he felt about being on the track team, he replied: "I've never seen so many fast and strong people before. At the meets I saw many state records broken, and many Olympic hopefuls. I felt good being part of such a terrific team. Coach White is a tough, but terrific coach. It was worth to be part of such a great winning team. I'm really looking forward to next year."

New Leadership For

Girls Track

Under a new leadership of Coach Edrington the girls' track team began its season on April 3rd, at a meet at Western High School. The year of coaching track at Doss was a good one for coach Edrington. Members of the track team went to the regionals, 7 went to sectionals, and 2 went to state. The two who went to state were Vonnie Pittman who placed 4th in the 400 meter, and Tonia Rice who placed 2nd in the low hurdles.

Unlike the boys track, the girls track team wasn't able to break any school records, but they placed in every meet and won lst place 4 out of 7 times. This incoming season the team will have 6 returning lettermen. The toughest meets are against Mercy, PRP, and Central.

The seniors who led the track were Kim Hill, Vonnie Pittman, Donella Saunders, and Tonia Rice. Their experience was what helped the track team to become a competitive team. The contribution they gave to the team was invaluable to the members of the team. Though they are gone, they will always be remembered and sorely missed.

When Tracie Pride asked how she felt about being on the track team she replied: "Being on the track team was alot of fun. We had alot of talented people like: Vonnie Pittman, Tonia Rice, Donella Suanders, Kim Hill, Marietta Ward. They, along with myself, made up the relay teams. We also had Jennifer Leitner, our long distance runner. Coach Edrington is a great coach and led us to the state track meet in Lexington, Kentucky at the University of Kentucky."

Short in numbers, long in success

Doss Golf

The Doss High Golf teams were short on numbers but long on success. The Boys team was made up of Toby Fields, Tripp Dalrymple, Eddie Pehlke, and Chip Wagner, while the girls team only had two players: Beth Powers and Kim Pehlke.

All of the Golf team members participated in the Kentucky Golf Association's mini-tournaments with varied results. Toby Fields was the only player to capture an individual tournament championship with a playoff victory at Iroquois golf course.

The regional Tournament was Fields' best competitive effort to date. Tripp Dalrymple playing the front side in 33, his lowest nine hole score ever, ended with a very respectable 75 and a third place finish for the day. The other team members shot an 82 (Eddie Pehlke) and an 84 (Chip Wagner) for a team total of 312 and an overall 2nd place plus a trip to the state tournament.

The Girls team of Beth and Kim were the only two girls to play in any events from the west side of the county, but this didn't dampen their spirits. Both girls were able to qualify for the state tournament and a trip to E-town. This was Beth's 3rd straight state tournament.

"The goal is within sight, Beth"

"Concentration is the key to success, Toby"

Jock Talk

When asked to comment on who was the toughest teams to play last year, "Chip Wagner replied "P.R.P., and DeSales because they-'re our arch-rivals. Also Chip Wagner said that regionals were really mentionable because winning or losing it all depends on the last hole."

Tough schedule and bad breaks give Doss

A TOUGH SEASON IN FOOTBALL

The Doss Dragon football squad had a good outlook for this year. And then the bad breaks started. Ernie McIntosh, expected to start at quarterback, suffered a pre-season injury crippling the Dragon offense. Early on problems came as some key players quit the team.

The Dragons started off with always tough Trinity. A 6-0 loss to the Rocks was followed by a 12-0 defeat by DeSales. Atherton was the Dragons' first victim by a score of 27-0. Next it was on to Valley and a close 14-13 loss. Perhaps the most important victory of the season came against Homecoming foe, Western. Next up it was P.R.P. and another disappointing defeat, 6-3, took its toll. Fairdale next conquered Doss 6-0 before the Dragons won their third victory over Shawnee. The final game against Moore resulted in a victory by the score of 14-13.

Looking back it seemed as if the first game against Trinity set a pattern the Dragons just couldn't break. Season totals saw Doss lose six games by a total of just 35 points. The Shamrocks went on to become state 4-A champs and Doss continued to play almost well enough to win.

The end of the season also brought the close of the coaching career of Donnie Pope. During his three seasons as head coach, Pope's teams compiled a 16-16 record and guided his team to a playoff birth in 1983. In a newspaper interview, Pope noted, "I've enjoyed every minute I've been in coaching. There were a lot of good things that happened, and some bad things, but you've got to take the bad with the good."

The 1985 Varsity and Junior Varsity

Volleyball

The 1985 Volleyball team ended another exciting and victorious season. They had a winning season with a 7-4 win-loss record for the Varsity, and a 9-2 win-loss for the Junior Varsity. The team had strong overall ability, and outstanding players that gave their all to represent Doss High School with pride.

The team also had good leadership from the four graduating Seniors Captain - Karen Cotten, Karmen Pulce, Heidi Blessing, and Deidra Stone. They will be missed next season by the Coach and Team members.

The Volleyball team received a new coach this season, Mr. Sayler. He has previous experience coaching other sports, but he decided this year it would be volleyball. Although this was his first year in coaching volleyball, he accomplished a winning season from the team. With outstanding plays by Sr. Karen Cotten, Soph. Stacey Bere, Dee Clark, Kathy Jackson, Sarah Alvey, and Ann Schmitt. Even though they did not make it to the District or Regional Tournament this year, the coach has put a great deal of time, effort, and dedication into the teams. And he is planning on having a more successful and domineering team for next year.

Shannon Porter had this to say about the Varsity Volleyball team;

We had a very young team with only 4 Seniors who gave a great deal of help to our team. I believe that next year we will have the opportunity to "TAKE STATE". Getting adjusted to a new coach and him getting adjusted to us, we will be better organized than we were this year.

Coach Salyer stated this;

The Dragons are a hard working bunch of young ladies who accomplished a winning season, both Varsity and Junior Varsity. They play with pride and have represented themselves and Doss High School most favorably. And he was asked predictions for next season;

The Volleyball team could really be in contention to win Region I and play in State Tournament for first time in Doss' history.

The 1985-86 Soccer team beat last year's record and entered

REGIONALS

Last year the Doss Dragons Soccer team earned the right to enter the regional tournament, and this year the 1985-86 Soccer team earned the same privilege. They had a fantastic season and finished with a 14/3 win/lose record.

The Dragons played a grueling game against the DeSales Colts determining which team went on to play in the state tournament. In the first half of the game the Colts dominated by scoring two goals. Todd Hatfield scored a goal for Doss early in the second half, but the Dragons couldn't seem to keep up with the Colts. They lost 2/1.

There were several outstanding players on the team this year who added a lot to the team; they were: Todd Hash, John Conard, Ricky Fowler, Todd Hatfield, Shanda Blair, Ronnie Vincent, and Keith Denton. Over all, the Doss Dragons Soccer team had a very successful season.

First row: Kevin Denton, Eric Campbell, Cindy Humphrey (statistician), Ricky Fowler, Richard Garrity. Second row: Keith Denton, Scott Harrington, Shanda Blair, Joh Richter, Todd Hawkins, Jerry Goodhue,Ty Dayoc. Third row: Assistant Coach David Payne, John Conard, Tim Fulner, Todd Hash, Doug Johnson, Ronnie Vincent, Scot White, Coach Dan Shepard.

The Boys and Girls Cross Country Team takes 4th place in Region as Jennifer Leitner is the

Regional Champ

The 1985 Boys and Girls Cross Country teams have done the best to their ability as runners this year.

For the boys team, Allan Stevens ran his personal best time of 16:53 for the 5k race. Also, sophomore Rip Hatfield ran his personal best time of 19:54 for the 5k race. For the girls team, sophomore Angel Vardeman ran her personal best time of 12:24 for the 3k race; junior Jamie Janssen ran her personal best time of 12:39, and junior Susan Whitman ran her personal best time of 13:13. Junior Jennifer Leitner set a school record of an 11:46 time for the 3k race. When the Cross Country team went to the regional championship, Jennifer Leitner came in first for the entire region, and the team came in 4th over all. Jennifer came in 16th out of 113 girls with a time of 11:57. Allan came to 53rd with a time of 17:38. Doss is very proud of these fine runners. Without the help of Coach Byerly these two runners wouldn't have done this well.

The Myth Staff asked Jennifer Leitner to comment on the Cross Country team and she told us: "The 1985 Cross Country team has been very successful. Starting in early August and practicing every afternoon after school for five days a week, we, with the help of Coach Byerly, prepared ourselves for the races and meets we would run in. Aside from a few minor injuries, the team has put forth their best effort, which has shown up in the results of our races. Although we could not enter as a team in several of the Invitationals, we did extremely well in the meets as individuals. Each member of the team with the exception of one senior, Allan Stevens, will be back next season with what the team hopes will be the best year we've ever had!"

Dragons Dominate to Become

DISTRICT RUNNER-UPS

Expected to have a down year, Coach Mudd and his young squad showed the pre-season prediction experts not to count the Dragons down and out! The squad finished the regular season with a record of 15 wins and only 9 losses. A victory over Eastern's Eagles, then ranked eighth in the entire state and led by seven-footer Felton Spencer, was a fitting final game. The season began with an easy 75 to 40 win over Shawnee and another double-digit victory over Butler. Always tough Lexington Lafayette got the best of Doss 64-58, but we came back to take Male by four, 72-68. Heading into early and mid-season, the boys alternated wins and losses to end up six and seven after all LIT loss to Trinity 59-56. When other teams might have hung it up, the Dragons hung tough and reeled off eight straight wins before losing to highly ranked Seneca.

A loss to North Hardin temporarily derailed the Dragon victory train, but the team bounced back with the big win over Eastern. District tournament play saw the Dragons win the opening round 61-49 over hapless Valley (1-24) but be upset by Fairdale 57-54 as the Bulldogs denied Doss the district championship. Fortunately the two top teams in the district advance to the regional competition. An injury to Charles Mudd, starting point guard, caused concern heading into the sixth region tourney. Southwest Christian was the opening round foe and victim of Doss 64-57.

The PRP Panthers took on the Dragons in semi-final level play and were seeking

revenge. Doss had upset PRP in the regional final game the last two years in a row earning consecutive trips to the sweet Sixteen, a rare feat indeed. A big pep rally the day of this game built Dragon hopes, but the Panthers finally won by a score of 60-55. The Panthers may have had more talent, but this Doss team could not be topped for determination and heart.

All in all, it was a surprisingly successful season due to the hard work of the squad and the skillful leadership of Head Coach Leon Mudd and Assistant Coach Kevin Salyer. Willie Hudgins led the team in scoring averaging 16.5 points per game. Leading percentage in field goal shooting honors went to Brandy Monks at 74%. Monks also led the team in rebounds with 10 per game. Charles Mudd led in the assist department with 4.5 per game. Also Hudgins and Mudd were quick with their hands averaging 5 steals per game. The team featured a balanced scoring attack behind leader Hudgins. Figures were Monks, 15.1, Mudd, 10, Jarrard 4.2, Leasor 4.1, and Davis 4.1. The bench was tested and found ready for the call as Lee Taylor, Marcus Davis, Jeff Emberton, Michael Grinter, and John Sawyers came to the rescue as needed.

When The Myth Staff asked Matt Beck about this year's season, he replied, "The 1985-86 season was the most fun I've ever had! Considering the work and time put in during practice and the selling of fundraising material, it all paid off with the trip to Hawaii and making it to the Regional Tournament. Even though the team was young, Coach Mudd showed his leadership by having another winning season."

Lady Dragons end season with a 17-7 record

ONE OF THE BEST SEASONS EVER!

Talent and determination are what make the Lady Dragons number one! From the beginning of the year their first goal has been to be Sixth Region champions. Their first game was a win over Shawnee, and then they lost to the tough Butler team. They beat Male and in the Male Classic they finished with a 1-1 record. They continued to do well and won twelve out of the last fourteen games, with wins over Iroquois, Southern, P.R.P., and Western. Terri Keown, a two-year veteran as Lady Dragons Coach, has helped tremendously in preparing this varsity team to be winners. Coach Keown said, "It takes hard work, determination, and most of all unselfishness to have a winning team, and this year we've got it all!" Shelia Johnson averaged 10.3 rebounds a game, and she hit 75% of her freethrows this season. Tracy Pride led the team with her 51% field goal shooting percentage. Kim Pehlke had 80 assists and Sheila stole the show with 91 steals. The Girls team will enter the district finals with high hopes!

A Tough Season

The 1985-86 Boys J.V. Basketball team began it's season with high hopes of gaining valuable experience and achieving a winning record. Although the team roster rarely remained consistently the same, these young men have learned many lessons in what it takes to win and how easy it is to lose.

With leadership being primarily provided by sophomores Sean Nash, Marcus David, and Chris Henry the team played hard and were in a position to win each and every game. Losing Keith Mitchell in mid season to an ankle injury really made the team regroup and double it's efforts.

Other players making valuable contributions to the team were, freshman Lee Taylor and Matt Beck, along with sophomore Todd Tucker, Jeff Vice, Paul Sanders and Danny Moore.

Although the team did not have a winning record, they did show a lot of spirit and heart. Even though not every game was won, they did go out and try to the best of their ability. The boys J.V. basketball season ended with a five and nine record.

A 11-3 RECORD GIVE THE J.V. GIRLS . . .

A SEASON TO REMEMBER

The girl's J.V. Basketball Team has five new starters this year as well as a lot of heart. The girl's have overcome the disadvantages of size and experience. The J.V. Team excels in defense, dedication, and desire producing an excellent season this year.

Stacy Bere helps both the J.V. and Varsity Teams out with her superb defense as well as averaging ten points a game. Freshman Tanya Whitmer leads the team in scoring averaging thirteen points a game. Tanya, at 5'4" also leads the team in rebounding with sixty-four rebounds. Junior Erin O'Brein, sophomore Kathy Jackson, and Freshman Denise Cooper round out the starters. The remaining Lady Dragons are Margie Fuller, Jejuana Payne, Angie Patterson, and Nikki Sanders.

Coach Debbie Edrington expressed the following about this years girls J.V. Basketball Team. "I would like to say that in three years at Doss this J.V. Team is the best group of people I've worked with. They have a great deal of heart and character." Good Job Girls!

OUTSTANDING 8-2 SEASON!

The wrestling team had a super year finishing with an overall record of eight wins against only two losses. This was a great improvement over last seasons' one win and thirteen losses. Coach Mark Hinds and his team performed in a manner worthy of recognition and congratulations.

The season highlight came in a dual match against Shawnee and P.R.P. in which the Dragons lost only two individual matches of twenty-four. The scores were Doss 60 to P.R.P.'s 9, and Doss 56 to Shawnee's 2. Victories over Shawnee, Central, and Moore gave the Dragons an undefeated home series.

Phil Ellis (98-pounder) and Western High's James Clay were selected as co-recipients of the Outstanding Wrestler of the West Jefferson County District Tournament. Five Doss wrestlers, Phil Ellis, Ricky Fowler, Todd Hawkins, Mike Kapfhammer, and Jarod Howard finished in the top four of the regional tournament to advance to the first Semistate Tournament even held in Kentucky. Ricky Fowler then earned the right to advance to the State Tournament, but failed to score.

With only two seniors on this year's squad, the prospects for next year also look great. Congratulations on a great season to the coach and team!

Cheerleaders

Five seniors: Tammy Mills, Michael Rickert, Tina Spencer, Jamie Vincent, with Gina Shepherd as captain combined their experience in leading the cheerleading squad through the 1985 - 86 year. Next year the seniors will be led by Missy Butler and Lori Hash, the juniors by Stacy Baum and Dawn East.

Instead of having Varsity and Junior Varsity squads or an A and B team as in the years past, they have united this year into a single cheerleading squad. During the early part of the summer the cheerleaders started preparing for the new year. To raise funds for their different activities, the cheerleaders have held several carwashes, sold school buttons, and had a yard sale. The first in the form of competition was attending the NCA camp where they won several blue ribbons for their individual efforts. They have also competed at Jefferson Mall against other public schools. While Mrs. Burnette supervises over the team, they choreograph their own cheerleading motions and dance routines.

CONGRATULATIONS on a good job cheerleaders!!

CHEERLEADERS FIR

The sponsor for the 1985 - 86 cheerleading squad was Mrs. Vicki Burnette. Mrs. Burnette was a high school graduate of Valley High School where she was a cheerleader for three years and captain her senior year. After high school, Mrs. Burnette attended the University of Louisville. By sponsoring the cheerleaders at DuValle middle School and Iroquois High School she has gained much experience which she has contributed to our cheerleaders. Being involved with the activities is what she enjoys most about being the cheerleading sponsor. She is looking forward to returning next year. In addition to being the cheerleading sponsor, she teaches Math and Social Studies to the special education students.

In an interview with Gina Shepherd, the captain of the cheerleading squad, she remarked, "On behalf of the cheerleading squad, I would like to thank Mrs. Burnette for her time and effort. She has made this year special and exciting for the Varsity Squad. Thanks Mrs. B for your dedication!"

The 1985-86 Danceteam consisted of 19 dedicated girls. They were led by 6 seniors, 10 Juniors, 3 Sophomores, and 1 Freshman. The members perform during half-time of Football and Basketball games and pep rallies.

Long hours of practice after school helped make it a successful year. The routines performed take many hours of work.

The Danceteam was headed by sponser, Ms. Cooksey, and seniors Marsha Frank and Marita Thomas. Although the danceteam didn't participate in any camps duirng the 85-86 school year, they did help in the community by helping local businesses. The danceteam only continues to get better and better through the dedication they put into the team.

The Burgundy Players

SRO

For the first play of the year, the Doss Burgundy Players presented "Standing Room Only." About forty people worked on the play, which was a look at the history of music. Mr. Mark Temple was producer/director, and the show was a big hit with the audience.

"AS YOU RECEIVE YOUR DIPLOMA"

When you step forward to receive
That all-important scroll,
It means you are one step nearer
to your long awaited goal;
And yet you'll never say good-bye
To teachers, books, and schools.
Life will give you new assignments,
Harder lessons, stricter rules.
But you'll find that your diploma
Will open wide the door
Of those golden opportunities
You've been waiting to explore.
While you gather up your memories
At the end of that long aisle,
You will say good-bye to classmates
With a hand shake and a smile.
May the knowledge you have gathered
Keep you on the winning side
As you proudly face the future
With confidence and pride.

There are two educations. One should
Teach us how to make a living,
The other to teach us how to live.

Good Luck!

Lillian Howard

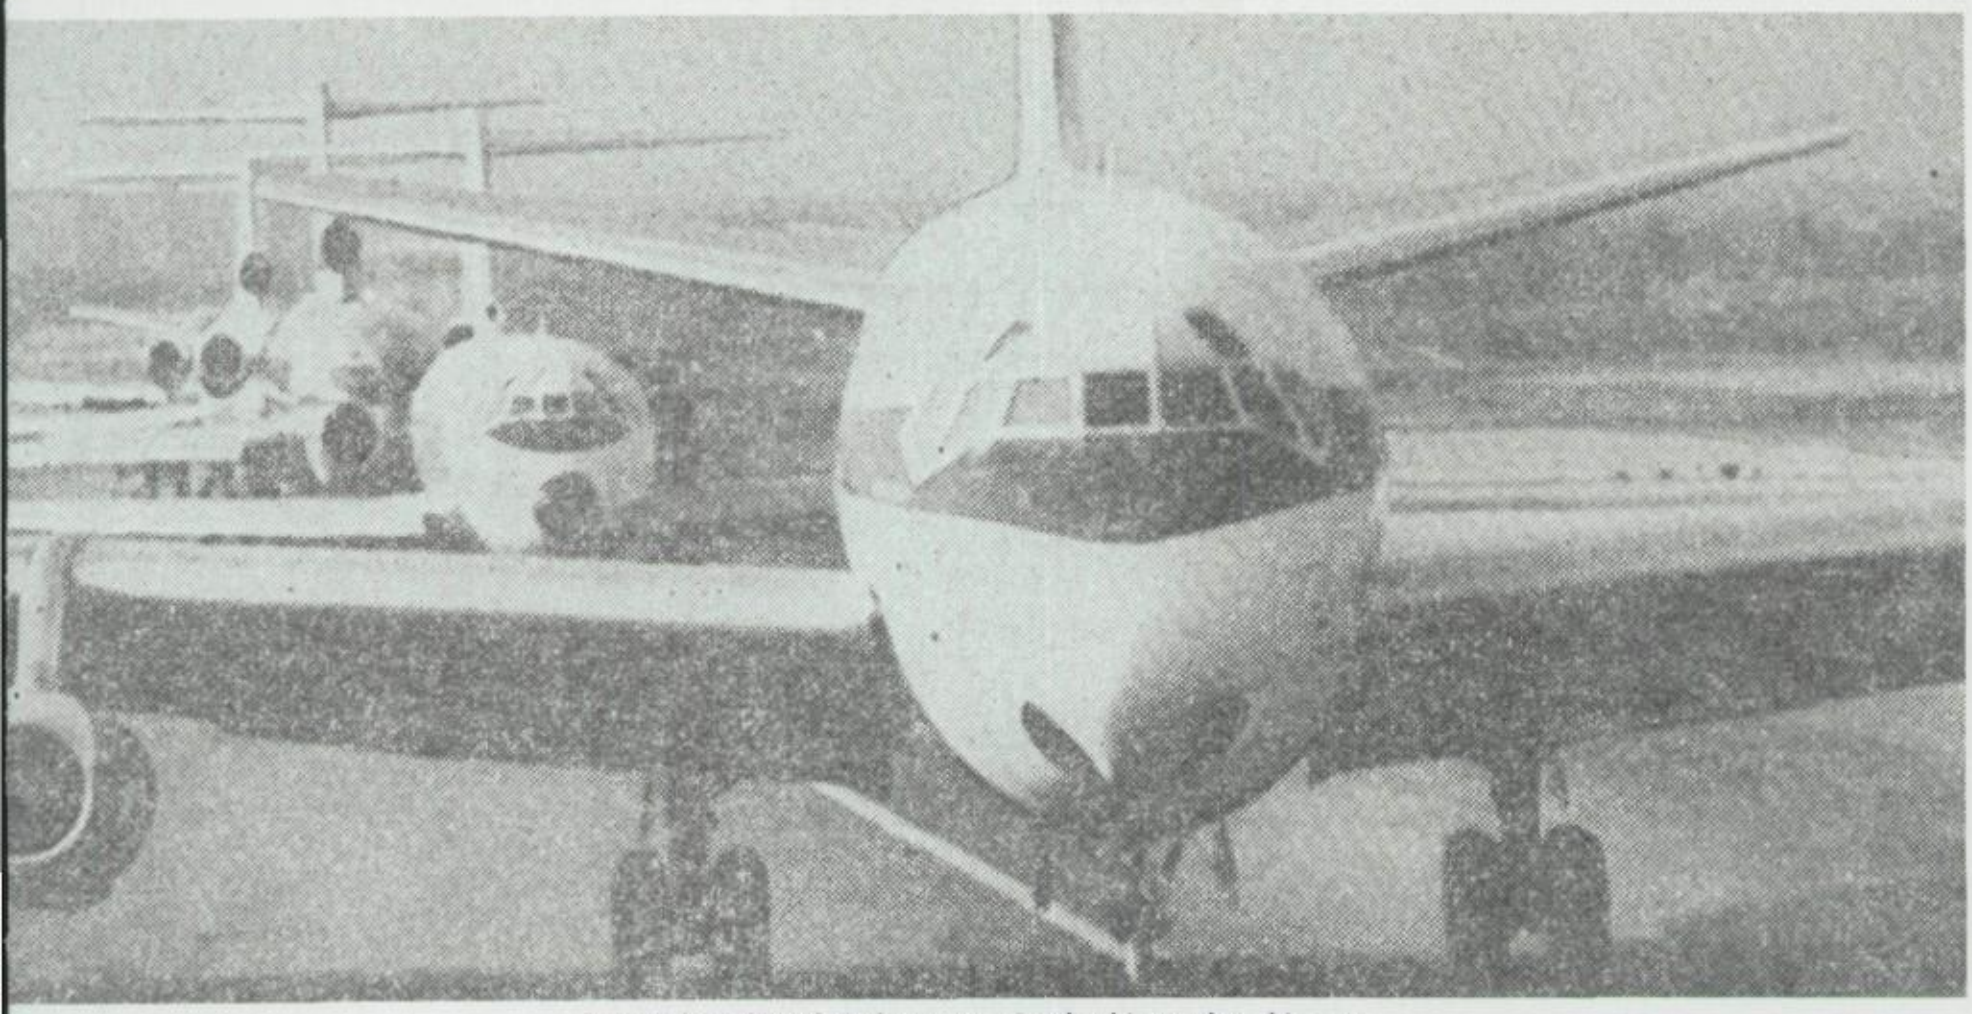
it was the worst of times."

1985-1986

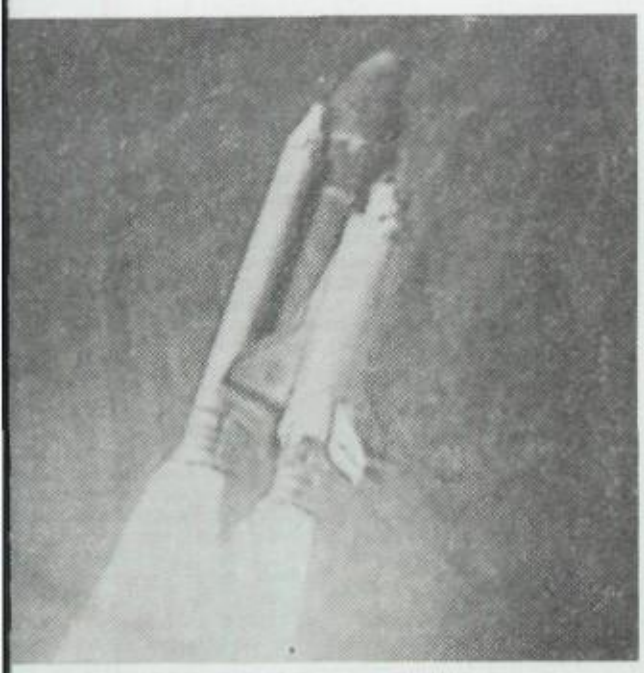
One of the many victims of natural disasters - a Columbian volcano.

Gorbachev and Reagan - the Summit Conference.

Above - UK coach Eddie Sutton. Right - *The Chicago Bears shortly after* winning the Super Bowl.



A record number of airplanes were involved in crashes this year.



merica's Space shuttle Challenger shortly before the xplosion.

William Schroeder - one of the first artificial heart recipients.

The 1985-86 school year was one of exhilaration and depression, triumph and tragedy, success and failure, death and rebirth, and all the other human activities and emotions which together make up another year of life.

Events on the national, state, and local scenes influenced us all.

A chemical plant accident in India caused many deaths as the world wondered if accidents like this were the price of modern technology. When it seemed as if we would be overwhelmed with death and tragedy in airline crashes, some of us were shocked to the point of numbness with a new form of tragedy - the loss of America's Space Shuttle Challenger and the seven astronauts aboard. Another cyanide-laced Tylenol poisoning and glass slivers in baby food reminded us all of our vulnerability to the domestic terrorists.

A gigantic Mexican earthquake and flooding in California showed mankind still exists in a love/hate relationship with Mother Nature. On the health scene, President Reagan survived a second bout with cancer, Rock Hudson was the first well-known victim of AIDS, and Lousivlle's Dr. DeVries came under fire for the quality of life of his artificial heart patients Murray Heyden and William Schroeder. In a more positive vein, we learned about new research developments that may someday lead to cures for AIDS and cancer.

President Ronald Reagan, as usual, provided a great deal of news. The summit conference between Russian leader Mikhail Gorbachev and Reagan was the first in years. Reagan's "Star Wars" plan for putting satellites into space was a topic of controversy.

Also in the stars was Halley's Comet. The comet made its first appearance in 76 years at the beginning of 1986, but at press time was a "big disappointment."

Americans were big on helping both themselves and other countries this year. Many singers and stars formed groups, recorded songs, and donated the profits to charity, such as LiveAid, USA for Africa, and Farm Aid.

America's sports fans danced the Super Bowl Shuffle along with the Chicago Bears, and also experienced new complications with athletes using drugs. UK got a new basketball coach, Eddie Sutton, and U of L a new football coach, Howard Schnellenberger, and their teams promptly went in opposite directions. On the local school scene, Doss also has a new football coach this year, Jerry Mays.

Other changes in the community include the sale of the Courier-Journal, and changes in the staff at Doss. Cafeteria Manager Jackie Raymer retired and Doss students honored her with a standing ovation at a special assembly. The Doss staff expanded to 83 teachers, and added a fourth counselor (Bill Rhodes) and assistant principal (Eldora Givens).

A Christmas Tea

The ECE Christmas Tea has been an annual event for about six years. It seems to be enjoyed by all students involved. It gives them a chance to get away from routine book work and develop social skills. It also provides an opportunity to apply some of their measurement skills learned in math and reading skills from other classes when working with recipes. Everyone enjoys this event! Participants were: D. Colyar, R. Handy, B. Peebles, J. Miller, L. Fravis, K. Pride, B. Dezarn, M. Thomas, T. Thomas, L. Hamilton, W. Thompson, D. Yakimovicz, C. Jones, K. Holt, S. Logsdon, J. Willett, K. Waddle, K. Hardin, D. Pearl, T. Breeder, R. Kessinger, A. Kummer, R. Fowler, S. Ward, L. Ash, D. Miles, D. Dawson, R. Ayers, S. Carson, D. Ballard, D. Bensing, T. Fisher, T. Thomas, J. CLOSING

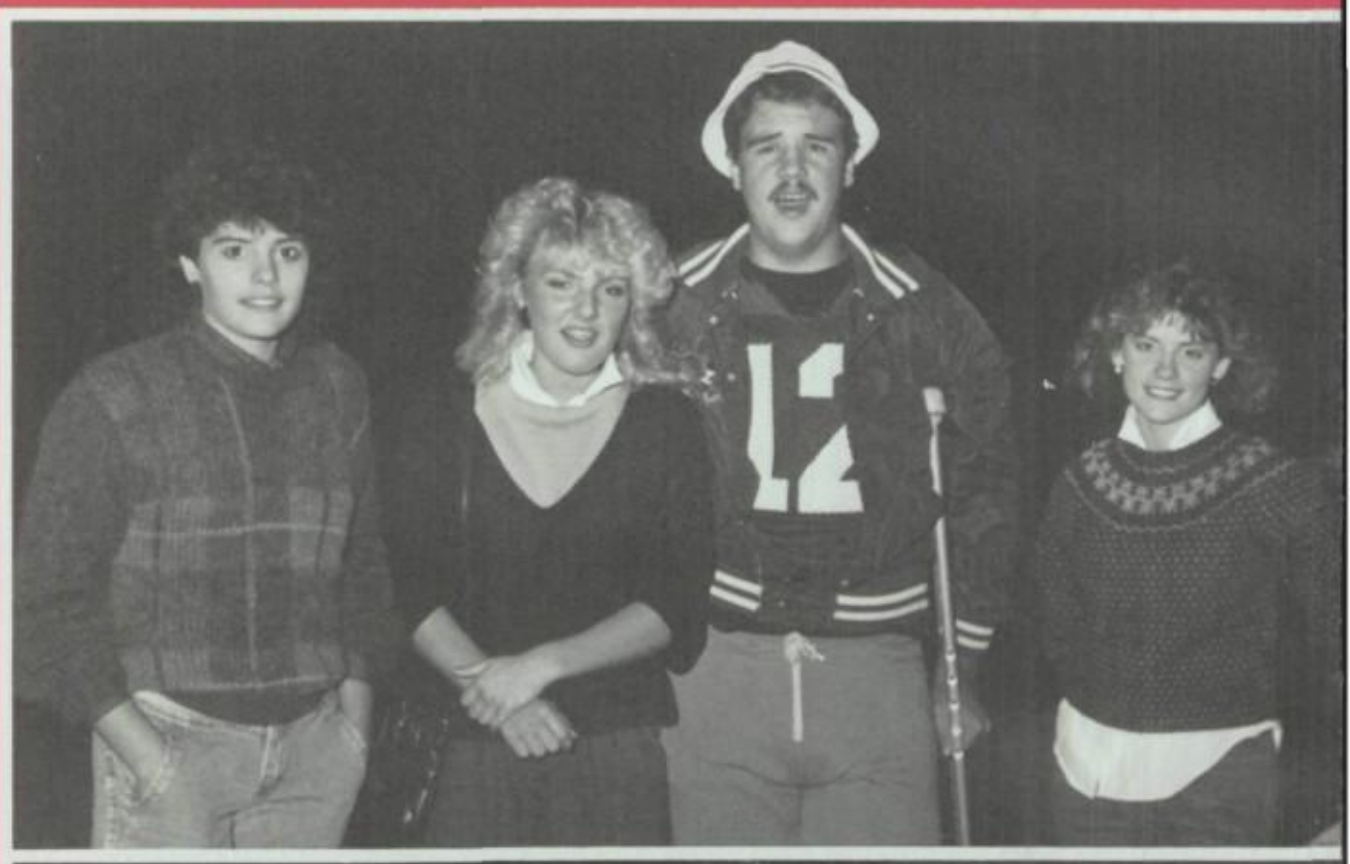
ONE LAST LOOK

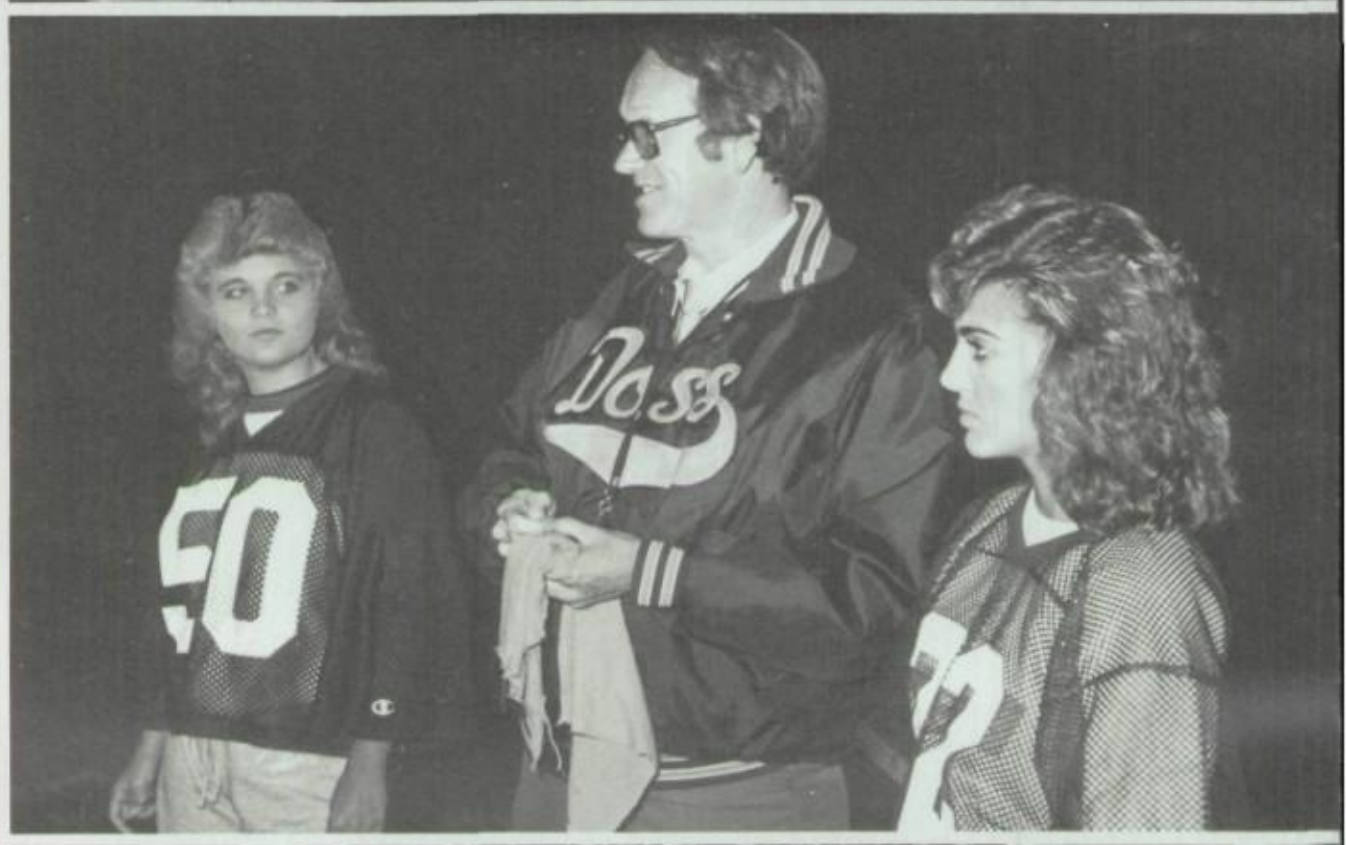
This year has been a special year for everyone associated with Doss High School and the community that surrounds it. The memories of this year are etched into our minds and hearts forever. For all of the underclassmen at Doss, the memories will continue to grow next year. For the seniors, the years of high school are now over and they have to almost start a whole new life, a life of adulthood. Many of the seniors will start a job as soon as possible. Many of them will go on to college for several more years. Whatever they choose to do with their lives, we all wish the seniors the best of luck always.

Once again, this year the SADD Chapter returned to Doss High. The SADD Chapter was started last year and gained recognition throughout the area, and this year it was just as big of a success as last year. The students really got involved in the chapter and seemed really concerned about driving while drinking.

Always in everyone's minds are the sports at Doss. Last year we graduated a lot of outstanding football and basketball players which meant this year we had young, but promising, athletes.

In every school year there are many activities that made the year special, and this year was no exception. Some of the activities that received recognition this year were the National Honor Society and the Who's Who at Doss. Every year the Doss Pepsi Singers participate in a lot of activities throughout our community. This is also another reason Doss is so special. Everyone contributes to making a school special and the more that is done at that school, the more that school stands out in people's minds. Doss is so special because that's the way the students and faculty want it to be. Every faculty member has ac-





AT YESTERDAY

complished so much for all of the student body that it's impossible to thank all of them, but we would like to let them know that we appreciate all their support and help. There were a lot of new faculty members this year, and among them were a new counselor, an assistant principal, and several new teachers. We would like to wish them good luck in the years to come, and to thank them for a great first year with us. These faculty members worked well with the rest of the staff and the student body seemed to get along well with them.

No one is sure about the future or what it might hold for all of us; but one thing we all know for sure, is that the people at Doss are special and they'll succeed in whatever they decide to do. The time spent in high school can change our lives and how we think so much, but mostly it changes us in positive ways. Our high school years influence us greatly and the people at Doss do their best to make sure we know where we're going when we graduate. Once again, we'd like to wish the seniors the best of luck always and hope this year was a very special one. Every year in high school is special, but your senior year is the one you will most remember. It seems to stand out in every one's mind as the most special no matter what happened during the school year. So seniors, remember this year forever.

It has often been said, "Stand for something or you'll fall for anything." Those are words to live by. Everyone has strong feelings for different things and you have to stand by your feelings or you won't get very far in life. This year was special in so many ways that it's impossible to talk about all of them, but everyone will remember it in their own ways. This has been "One Last Look at Yesterday."
